THE SWAP SHOP!

Two years ago a friend of my husband's gradually broached the subject of swapping or sharing girlfriends.

My husband had always had a fantasy about this so the conversation soon turned to how and when.

I was very unsure and nervous at first but agreed at least to see how things went if we spent an evening together.

Fortunately, my husband's friend, Jack, was a really easy going and funny guy which put us all at ease when we arrived at his place after a long drive.

His girlfriend, Toni, made us a nice meal and we opened a bottle of wine. Afterwards we agreed to a game of strip poker.

We played the first few hands with no forfeits, but after that the loser had to remove an item of clothing. Within no time we were all throwing bits of kit off.

My husband was the first to lose all his clothes completely, followed closely by Jack. They'd played suspiciously badly, maybe to make it easier for me.

They were both sitting there completely naked with their cocks already a little harder than usual. I had only a skimpy G-string left and I was getting turned on.

Then Jack made the first move by suggesting that he and I take a bath together.

I was ready to allow things to develop further so I agreed.

My husband and Toni agreed to wash our backs or whatever else we wanted! I nervously peeled off my panties and got into the bath with Jack.

After a few minutes splashing around our partners were completely forgotten as we eagerly washed each other.

I was fascinated by Jack's penis which was circumcised – something I'd never seen before. I loved soaping his cock as it grew harder.

He was having great fun soaping my small, hard breasts. He ran his slippery fingers over them, stopping to tweak my nipples with his thumb.

We quickly got out of the bath and all four of us went to the bedroom. Here my husband watched as I lay on the bed and allowed jack to spread my legs.

He knelt over me and ran his tongue down the length of my body, pausing to take in each bullet-hard nipple on the way.

I moaned as he reached my soaking pussy.

He began to lap at my sweet nectar while my husband stood by and slowly pulled his cock. I closed my eyes as Jack teased my clit.

After about a minute of being licked out I came with a splash. I opened my eyes to see that Toni was now on her knees sucking my husband's cock.

Jack then got on top of me as my husband got his balls sucked by Toni. He guided his helmet to my pussy lips and slowly inserted his shaft into me.

He fucked me hard and fast for several minutes but because I was not on the pill I told him not to spurt in my pussy.

I then turned over and told him he could fuck my arse if he liked. He massaged my pussy juice into my arsehole with his thumb.

Then he slowly eased his thick cock into my tight arse until he was in almost as deep as his balls.

He started to pump slowly and gradually sped up his thrusts. The hard ridge of his helmet sent me wild and I had a tremendous orgasm.

I felt his circumcised cock twitch and then a lovely hot gush of sperm spurted into my arse. As soon as Jack pulled out my husband took his place.

He wedged his cock into my stretched arsehole in one motion. After just a few hard strokes my husband mixed his spunk with Jack's deep in my arse.

Since that evening I have had a couple of other interesting experiences with other men. I love the idea of men wanking and spurting over my tits and pussy, covering my body with white splashes of sexy salty cum.

TIFFANY

According to a recent report, obesity is now the second biggest killer after Sharknados, so we thought we'd try and inspire you all to keep in shape with these pictures of the delectable Tiffany James getting all sporty and that. But remember, before you start anything too energetic, it's vitally important you have a good stretch. We'd recommend stretching those spectacular flaps around your old man – it does wonders for the heart, apparently!

Space - the final frontier, right? But looking at Teri here, we reckon there's somewhere else we'd far rather explore – both front and rear! So, is she a fan if sci-fi, then? "Yes, I'm a real nut for it - everything from Star Wars to Gravity and Interstellar – I love all that stuff. Don't you ever wonder if we're being watched by an alien intelligence?" Umm, no, but if we are, I'm sure the alien intelligence must have a right bonk on!

TRUE CONF

SEND YOUR CONFESSIONS TO RAZZLE MAGAZINE AT:

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

Have you ever had sex with a girl??

When I was a bit younger I had quite a few lesbian encounters. Then when I met Mike I went without for quite a while, until about six months back when Mike was working away.

I had a couple of friends round to watch a video, Faith and Lisa. We drank some bottles of wine and watched a weepy movie. When it had finished, Faith went to see what other videos I had on the shelf. "Lezfest in London – this one looks interesting!" she said, picking one out and looking at the case.

She read the blurb aloud about the lesbian action it contained. Then Faith slipped it into the video machine, pressed play and joined Lisa and me on the couch. After about ten minutes of watching two horny chicks going at each other – which reminded me how long it had been since I tasted a pussy – I noticed something very sexy.

Lisa and Faith were sat next to each other with their hands rubbing one another's crotches. They were openly rubbing each other off through their clothes. I was keen to join in but a little bit shy, so I just started to rub myself off. Then Lisa, who was in the middle, leaned over and slipped her hand inside my skirt.

She found my moist clit and started to tease it with her fingertips. I closed my eyes and clasped my hands behind my head, enjoying the sensation. When I opened my eyes again a few minutes later, Lisa had her trousers off and was sitting with her legs spread. Faith was on her knees in front of her, her head buried between Lisa's legs.

Lisa had one hand down my knickers and the other on the back of Faith's head.

Seeing this instantly fuelled me with lezzie lust, and I desperately needed to lick a cunt. I got off the couch and positioned myself behind Faith. Pulling her skirt up over her round arse, I peeled down her panties with growing excitement.

Then I gently parted her legs and obligingly she pushed her arse right up in the air, treating me to the lovely sight of her glistening beaver. I admired it for a while, before tentatively licking her slit with the tip of my tongue. Her pussy tasted wonderful – how had I gone so long without one? I enthusiastically started to eat out her cunt, probing her hole with my tongue, chewing gently on her lips and sucking her clit.

After a while I heard Lisa moan that she was cumming and looked up to watch her orgasm. She was sat back on the couch holding her legs around her ears, a look of pure delight on her face as Faith tongued out her cunt.

When she had cum, she lay on the floor and told me to get on top of her in a 69 while Faith 'sorted me out'. I did as I was told, feasting on Lisa's creamy cunt while she did the same to me. Then I felt something cold and hard being forced inside my cunt. I gasped with pleasure and asked what the hell it was. Faith told me she'd found a nice long cucumber in the fridge.

For the next twenty minutes, Faith gave me a vigorous fucking with my cucumber.

Lisa gave me a running commentary of what was happening – how far the cucumber was sliding in, how creamy my cunt was getting, what a horny sight it was. In between talking dirty, she was flicking my clit with her tongue.

I was in absolute ecstasy. The girls made me cum several times that way, until we were all spent and went to share a shower. Faith and Lisa then shared my bed as well, and I was able to pay them both back with my army of dildos!

FESSIONS

Describe your sexiest experience.

I've had plenty of horny times, but the best was definitely at a party last year when I had sex with two blokes for the first time.

I was out with a group of my friends drinking in town one Saturday night. We got chatting to this bunch of lads who invited us to a party that was happening at their flat after chucking out time. So we drank and flirted with them until the pubs shut.

I pulled this one bloke called Tony in the pub. He was a good laugh and alright looking so I decided to give him a snog.

I had a grope of his tackle as well and he felt well hung. Back at the party later on he sought me out and asked if I wanted to go upstairs to one of the bedrooms.

I quite fancied him and I was a little drunk, plus I was keen to check out his cock, so I let him lead me up the stairs.

We went in and shut the door. I was aware that Tony hadn't locked it and we could be caught, but that made it all the more exciting.

He stood against the door while I knelt in front of him. I undid his trousers and let them drop to the floor. Next his boxer shorts came down and I was face to face with his cock. It was long and very fat and growing by the second. I ran my hand around his heavy balls and slowly wanked his shaft, coaxing him to full hardness.

After a minute or two his cock was rock solid and standing proud. I pulled his foreskin gently back and took his helmet in my mouth. Gradually I worked more of his mega tool into my mouth until I was plunging the majority of it in and out of my mouth in deep strokes.

Tony had one hand on my head and was making very appreciative noises. He started to pump his cock into my mouth so I held my head still and let him do the work.

I could tell he was getting worked up as he fucked my mouth, and sure enough I felt a big dollop of thick cum fire against the back of my throat. A lot more cum quickly followed and I had to swallow fast to get it all down.

Then I licked his cock and balls clean and told him it was my turn. Tony roughly stripped me naked and threw me onto the bed on my back. He took his clothes off and joined me. He wasted no time lifting my legs into the air so my juicy cunt was his for the taking. He pulled my lips apart with his fingers and took a long slurp of my slit.

He started licking me out voraciously, like a thirsty bulldog at a water bowl. What he lacked in finesse he made up for in enthusiasm. I reached down and started rolling my clit between finger and thumb. I just closed my eyes and enjoyed myself, lazily flicking my bean while he pleasured me with his strong tongue.

As I was drifting away to paradise, I hardly noticed that my nipples were being sucked as well. Everything felt so nice it took me a little while to realise there must be someone else involved. I half opened one eye and saw another bloke, a guy I recognised from the pub, one of Tony's mates, sucking on my tit.

I thought for a second about what was happening. I came to the conclusion I was enjoying myself too much to stop. I decided I would let these two guys do whatever they wanted me. To make it clear I was up for it, I reached over to the new arrival and pulled his lips against mine. A matter of seconds later he was kneeling alongside me with his cock in my face.

I opened my mouth wide and he fed his dick down my throat. Still frigging my clit off and having my cunt eaten, I lustily sucked on my second cock of the night.

I was close to cumming, and picturing myself doing what I was doing was enough to send me over the edge.

My legs started shaking and my cunt clenched as I came noisily. Tony came up from between my legs beaming and licking his sticky reward from around his mouth.

He came and knelt alongside me with his mate, offering me his cock. I took a cock in each hand and wanked them off, flicking my tongue out to tease their bell-ends when I could. I was thrilled at being such a slut.

"We're going to fuck the life out of you!" Tony said, manoeuvring me onto all fours. Tony then got behind me and started slowly filling my cunt up with his big cock.

I took the other guy's cock in my mouthn and concentrated on sucking it while Tony attempted to split me in two.

But my cunt soon stretched and got used to Tony's girth. I bucked back, encouraging him to fuck me hard. He didn't disappoint, screwing me long, deep and hard. I had often fantasised about two blokes spit roasting me, but this was even better than I had imagined. It didn't take long at all for them to make me cum again, this time even better than the first.

Then Tony pulled his mighty cock out and lay on the bed. His mate picked me up and lowered me onto Tony's cock. I eased myself down onto his beast until I was comfortable. Then I started to ride him.

Meanwhile his mate was spreading my arse cheeks wide and licking my arsehole out.

I knew what was coming because I had wanked over it on porn films dozens of times. A finger went up my wet arse, then another. The bloke used my oozing cunt juices to lubricate my arsehole and then reamed me out with three fingers.

Tony paused and I stuck my arse out, inviting the other guy to slide his cock up it. He greased his cock up with pussy juice and eased it up my arse. He slowly fed it up me until I was ready to be fucked for real. I started to buck gently, increasing speed when I felt ready.

Soon I was bucking and rocking like mad as they fucked my cunt and arse. It was just the most fantastic feeling I had ever had. I was cumming buckets, drenching Tony's cock and giving the other guy plenty of juice to apply to my tight hole.

After about 10 minutes of seriously filthy pounding, Tony fired his seed deep inside me. A few seconds later his mate buried his cock to the hilt and pumped wads of thick cum inside my arse. I was well fucked and awash with spunk. I still don't know if they planned the whole thing or not, but it was fantastic. For any woman who hasn't tried a double fuck, I really recommend it!

We'd love to go a round or two with Tiffany and Satine, maybe not in the boxing ring, but inside another type of ring, and between these two they've got plenty of them on offer! "You wouldn't stand a chance in a sparring session with Satine and I," says Tiffany. "We'd rip you apart and mop you up for breakfast!" That sounds like fun, where do we sign up! "Right here, but you'll have to sign a waiver first!"

Black Beauty

Who doesn't love the movie *Black Beauty*, and we're not talking about the Disney film from a couple of years ago, we're talking about the 1971 classic! OK, so probably none of you! But we have another thoroughbred here with the delightfully sexy and damn right filthy Black Beauty! "I'm not sure I like being compared to a horse, but I am definitely from good stock and if you put a bet on me I'd finish you off quicker than anyone else!"

SCARLET

visit www.paulraymond.xxx

Scarlet is certainly not available for children's parties, she prefers a different kind of ball pool! "It's when five or six lads get their tackle out and let me fuck them and suck their cocks and bollocks till they cum all over my quivering body, leaving me in a puddle of sticky spunk! It's a fantasy of mine and I hope that enough dirty readers might get together to help me fulfil it. I wish I could get every load from every reader who wanks over this and smear it up my pussy and over my boobs!"

Yummy Mummy Emma Litchfield knows how to keep her man! "My husband is a real sucker for shaved pussies so I make sure that mine is as smooth as it can be 24/7. Sometimes he uses his phone to film his cock sliding over my bare pussy lips. It turns him on so much he doesn't even need to penetrate me to get himself off and he'll cum all over my belly." So, being a really dirty wife is the key to a successful marriage. Any girls reading this need to take note!

"I get that marriages can sometimes get a bit stale, and couples try out their fantasies to re-ignite things in the bedroom, but when I brought the subject up with my husband of fifteen years I was shocked when he told me that he wanted to watch me getting fucked by another man! We've done things like having sex in a park and me giving him a blow job on the train, but this is another level! I'll be honest, after initially thinking it would be a bad idea, I'm now coming around to it! Watch this space!"

"I'm happily married, but sometimes you just want a little bit more! The sex is OK, but it's been the same old thing for the last twenty-odd years, and I can't help but feel that it could be more. I've recently started watching free porn online and some of the things that the couples do to each other has really got me thinking. I mean, up until a couple of months ago the thought of anal sex had never even crossed my mind, I think I'd like to try it. And until a few weeks ago I had never owned a dildo or a vibrator! I'm hooked on both of them now, watching porn and playing with toys. My husband has no idea, nor does he know that I'm doing this racy photo shoot! I'd really like to ask him to fuck me in the arse but I don't know what he'd say!"

RANDY MANDY!

My girlfriend Mandy is 37 years old. We often go into work and catch up on the paperwork when none of my staff are around. This gives her the chance to play the role of the sexy secretary.

The only problem is that as she is walking around the office, bending over the desk and flashing her bronzed thighs and firm butt, she is quite a distraction.

I don't seem to get much work done. But then I'm not complaining because I do get my plums sucked.

She has got great tits with long hard nipples, a lovely tight little pussy and gives the best blow-jobs I have ever had.

During sex I like her to tell me stories about her past sexual exploits, in which she takes a great deal of pleasure in verbally reliving for me.

My favourite short stories are the ones about her college days. She was nineteen and looked quite shy and innocent in those days. How wrong could you be?

She always wore dresses or skirts, usually with stockings or hold-ups. She often gave lads blow-jobs in the common room at break times and after lessons.

She soon got a reputation among the lads in her class for giving good head. She sucked a mean cock and she always swallowed the lot.

One of the lads' parents went away for the weekend and Mandy was invited. Of course she was – you'd have to invite the blow-job queen, wouldn't you?

Mandy wore a little black number to the party, along with the usual black stockings, suspenders and high heels.

The party kicked off and most people were getting pretty drunk. Mandy was being chatted up buy some guy and before too long they were up in the bedroom.

After sucking the guy off and drinking down his cum, she took his cock in her mouth again and slowly coaxed another hard-on out of him with her tongue.

Then she lay on the bed with her legs spread wide and he knelt in front of her and slid his cock inside her.

After they'd been screwing for a while she noticed that a couple of lads had entered the room. She did not seem to mind and carried on.

When the first guy had sprayed her with spunk a voice from the room asked when it was his turn. She told him his turn was next and began sucking his cock.

The third guy in the room didn't need an invitation to join them on the bed. As guy two began pumping her soaked pussy she took guy three in her mouth.

Well, this carried on for hours, her getting fucked while she sucked. More blokes came in and stood by the bed, all waiting the turn she willingly allowed them.

Mandy can't actually remember just how many guys fucked her that night. She thinks it was somewhere between twelve and twenty, with some of them doing her more than once.

She said she was covered in spunk by the end. She had it in on her face, tits, stomach and all down her stockings.

She can't remember how much she swallowed and how many guys she had let cum inside her. I reckon it must have been a good pint in all.

She tells me she was sore for two weeks afterwards but it was worth it and she enjoyed every minute, every cock and every drop of sperm.

While Mandy told me this story I banged her like a man possessed – it got me so horny. Then I added my two-pennies worth to the ocean of spunk she's eaten!

"I have a small problem, well actually it's quite a big one! My husband, due to his age, can't get it up anymore! No matter what I do his cock stays floppy and limp. He still pleasures me with his fingers, and I love it when he goes down and licks out my hairy pussy. I really need some advice on what I can do to get him hard again because I think it's all in his head. I can't tell you how much I want to feel his hard cock inside me again, even if it's only one more time!"

THE JOY OF ANAL PLEASURE

- *VIV THOMAS*

Starring: Tina Kay, Aislin, Luna Corazon, Shrima Malati, Cayla Lions, Sade Rose, Sam Bentley, Stefany.

Hey, an anal sex flick that doesn't feature any blokes? Whatever next, eh? Women presenting Top Gear?! Anyway, this flick would have us believe that there exists a certain type of flamper that loves nothing more than duffing another one up the jacksie with a strap-on, and who knows, perhaps that's true. What is true is that you'll enjoy watching them doing it, especially as this includes a pretty eye-pleasing selection of sploshers, starting with some poolside fun for Cayla and Sade, who it turns out is quite a smooth operator herself, frigging her bum with a yellow vibe while Cayla tucks into her snizz. There's even better to come in the next scene, with Luna donning a strap-on and giving Shrima a backdoor workout before getting a little fingering for her troubles.

Tina's innocently frying a couple of eggs when Aislin shimmies over with her dong already in place, which was never likely to go to waste, although it's quite a tender scene from the usually frantic Tina. Stefany's in the riding seat for the last scene, as Sam wields a pink strap-on, although the Brit gets a little anal action herself before the end.
